

## Flick and FlackFind Religion (Four Stories Plus One)

The humorous adventures of Flick and Flack begin when Danny Higgins and Bob Flack (Flick and Flack) looking for ways to make ends meet decide to start a church. All churches seem to make money so they figure, why not them? One day while sitting at The All Day Every Day Tap they lay the ground work. Joining them are No Fingers Larry, First Time Frank, Billy the Breeder, Stella, Bruno and Dutch. All in their own unique way contribute. They have eight commandments instead of ten as no one seems to be able to obey ten so why burden them with ten. The goal of the church is to eliminate dopes and to make money while making it as convenient as possible for parishioners to attend and to give. They develop many unique methods for getting people in the doors and contributing such as Forgiving Wednesday and No Sermon Sunday. The four stories relating to the church, Flick and Flack Find Religion, Flick and Flack Become Forgiving, Flick and Flack Move On Up, and Flick and Flack Meet The Competition are all humorous looks at religion and church attendance. The fifth story, The Escort is new look at senior dating
