

Never Too Much

Fosters pages sizzle. --Christine Feehan
Say YES! to Lori Foster. --Elizabeth Lowell
One Chance At Forever
Ben Badwin likes his women sexy, wild, and as uninhibited as his desires. Nothing like the brash, dirt-covered, wholesomely cute woman who just strutted into his diner. But something about Sierra Murphys independent attitude makes Bens fantasies run wild. . . Sierra doesnt need a man in her life, not even one as tempting as Ben. But the more she keeps her distance, the more he wants her, and the harder it is for Sierra to steer clear of his teasing touches and his enticing eyes. To get him out of her system, Sierra makes a proposition: shell sleep with him, but for one night only. Now, its up to Ben to turn one night of pure ecstasy into a passion that never ends.
